

By becoming a sponsor, you help facilitate the events, meetings, programs and education necessary to run our local NKBA chapter, which is committed to all things in Kitchen and Bath! In return, we offer valuable exposure to our Texas North Plains Chapter members. Some benefits of sponsoring...

- **Exposure to our 600+ membership**
- **Opportunity for logos & links to your website on our NKBA Texas North Plains site**
  - **Branded item recognition**
    - **Priority to offer CEU education at our monthly meetings**
    - **Social media exposure through our member connections**
- **Free meetings for employees of your organization (based on sponsorship level)**

## Opportunities for sponsorship.

Keep in mind, there are various levels from \$100—\$1,000 with assigned benefits. But also, we can custom tailor a sponsorship to a specific event. Below are events we generally need additional resources for, over and above the funds our chapter allocates for monthly meetings.

**August**—Bowlounge member appreciation event. You can sponsor a lane, the food or drink, shoe sponsor or trophy sponsor. Bring your items to the event to set up informational tables.

**October**—Kitchen & Bath Month. Items such as branded swag bags, speaker fees, valet parking, door prizes, floral, speaker recognition & thank you gifts, advertising and promoting the event through ads in magazines. You'll receive an opportunity for an info-mercial to talk about your company & your logo will appear throughout the event & on all printed material for the event.

**Membership Drives**—Venue or breakfast sponsor. You'll be given time to make members aware of your organization through a 5 minute presentation and be able to distribute your literature.

**Chapter Meetings**—Monthly opportunities to fund quality speakers to present at our meetings.

**Operation Finally Home**—It's a December silent auction and fund-raiser and after covering expenses, all funds go to support this worthy organization. You can sponsor the music, food, entertainment or venue and donate larger ticket items, receiving recognition throughout the year.

We strive to make local programs affordable to our members while bringing them quality information. We love to show off our industry partner showrooms so they receive maximum exposure to our membership. These relationships build lasting connections with those in the industry who are known for the quality of their work.

**Won't you please join us by becoming a sponsor?**

*Sincerely,*

*Jenifer Wiley*—President
